

PVC Meeting Wrap UP

The May PVC meeting was a wonderful exchange of ideas and information among the attendees. Please find to follow the informal notes.

Teacher Appreciation Week:

The event was a great success according to faculty and staff. Many expressed that they were overwhelmed by the gratitude expressed by the students and parents. A very special thank you to the coordinators of the week! Bravo! Information was shared regarding how the event can be improved for next year. Some examples expressed in person and via email:

Adding more sign up spots for paper products, zip lock bags and other nuts and bolts items
Adding more volunteer sign ups for setup and clean up to avoid the same parents setting up and breaking down.

Asking Starbucks for a carafe donation of coffee to keep it hot all day and ensure there is enough for all

Possibly moving the breakfast to mid week to allow for the left overs to remain at school to be enjoyed over the course of a couple of days, when appropriate.
