

Seacoast Charter School is seeking a middle school math teacher. This candidate will be an experienced, enthusiastic, flexible and collaborative teacher of mathematics to join our team devoted to arts integration and educating the whole child. The position requires a solid understanding of middle school students and the ability to plan for and implement best practices in a math classroom. The candidate will work daily with a team to create a rigorous and supporting learning environment for all students.

Required Qualifications:

- Bachelor's Degree
- Experience teaching mathematics at the middle school level
- A passion for integrating the arts
- Ability to collaborate with colleagues

Desired Qualifications:

- Degree in Mathematics
- NH Teaching Certification
- Innovative, flexible approach to teaching

All interested applicants should submit a cover letter, resume, 3 letters of recommendation to Nicole Outsen, Head of School at employment@seacoastcharterschool.org.
