

The Seacoast Charter School Board of Trustees is actively seeking new members!

The Board of Trustees oversees the operation of the school (see Board of Trustees job description [here](#)). The Board of Trustees consists of between 5 and 20 voting members (plus the Head of School and up to two Trustee Emeritus members, who are all non-voting members). These members include parent members, community members, and teacher members.

The Board of Trustees is currently looking for community members, and there will also be an opening for a parent member within the next few months. **We especially need members with finance experience to perform treasurer duties.**

Members of the public are always welcome to attend Board of Trustees meetings, which are typically held the second Tuesday of each month at the school. Attending a Board of Trustees meeting is the best way to get a sense of what work the board does in support of the school.

If you have questions about volunteering on the Board of Trustees or would like to apply to serve as a member, please contact the board via email at board@seacoastcharterschool.org.

Please feel free to share this information with grandparents, colleagues, friends, or any member of the community who may be interested in serving as a community member on the board.

Thank you!
